Baye the Family Owes Him \$50 for "The Grey Mare" at the Columbia- Louis Karren Shows Another Letter the Burial of a Child.

John Snyder, the undertaker of 552 Grand street, Williamsburg, was in the Lee Avenue Police Court this morning, charged by Mrs. Brown, of 331 Humboldt street, with with-bolding the deed of a lot in Greenwood Cemeory while her son lay dead awaiting burial. Snyder stated to the Court that her son wed him \$50 for the interment of a child. The amount, he said, had been subscribed riends and had never been turned over

spyder said he would return the deed to Edward, from whom he received it, but Edward's address was refused by his relatives. Meanwhile the body lies at 331 Humboldt street, awaiting burial.

READY TO SAIL TO-NIGHT.

The Chicago and Philadelphia Preparing for Venezuela. Everything was in a bustle this morning

United States cruisers Chicago and Philadelphia, preparing to sail for Venzuela. The main work done was the filling of the great coal bunkers of both vessels. The Chicago is lying at the long dock and the Philadelphia at the coaling dock in the

rom Newport at 8 o'clock last night. When asked about the departure of the arutsers, Admiral Walker said: "Thus far I have only received orders to get the Philadelphia and Chicago in condition

set the Philadelphia and Chicago in condition to sail. I expect sailing orders to-day. Both ships will be ready to sail by 6 o'clock tonight."

At survise this morning Rear-Admiral Walker's blue pennant with a white s. ar was holsted to the truck of the Chicago became the flagship of the North Atlan ic Squadron and the samous White Squadron lost its identity.

This, it is telleved, will be ordered if President McLeod refuses to reinstate the Brotherhood engineers.

Mr. McLeod's leeling towards organized labor and his probable course was indicated in an interview with an Evania World reporter at the Murray Hill Hotel, in which he said:

"I am not opposed to labor, but I am opposed to tyranny. Organized labor, as it now acts, is tyrannical. That is all I have to say."

Second Vice-President and Comptroller L. M. Williams, of the Central Railroad of New Jersey, said to an Evania World reporter this morning that he only knew that the conference at Philadelphia yesterday was unstractory and would be continued on Monday.

"While the lease was in force," said Mr. Williams, "the affairs of the Reading were necessarily those of the Central. Since the injunction granted by Chancellor McGill, he wever, the Central has been just as separate and distinct in management and everything class at tover was.

"Our men have no grievance whatever, and I apprehend no trouble at all in case of a strike on the Reading and Lehigh Valley roads, except that to help their fellows in the brotherhood the men might, and probably would, refuse to landle Resding cars. Further than that I do not think they would go, as our management is in no sense the inahagement of the Reading." B. F. Brown is a promising member of the Brocklyn Cricket Club. He is developing

Self-Hypnotism Resorted To by E4 Louis Brain-Workers.

I have a way of putting myself to sleen that has never failed. But, of course you won't pay any attention to it because it's so simple. However, here it is: I close my eyes lightly and then gently and gradually direct them upward, as if I

wanted to look into the interior of my own skull. The movement must be gentle and gradual or the sudden strain on the nerves will give you a headache, and sometimes there may be some slight discomfort on the first two or three trials,

but it wears off rapidly.

After you have retained your eyes in that position for a few moments, you feel After you have retained your eyes in that position for a few moments. you feel yourself losing consciousness of time and place, and slowly slipping, with delightful smoothness, and a kind of dreamy softness, out of the present. I invariably have the one semantion, that of foo ing in a boat on gently rocking billions that are moving easily away, easy a writer in the St. Louis Globe-Democrat.

The process is really a kind of self-hypnotism, and while you are performing it your mind is unable to take up any thread of thought or memory or present to of thought or memory or pre-ent to itself any picture other than the one the pro essitself supplies. It is a very singular thing, and I find that nearly all my acquaintances can repeat after me the self-hypnotic movement.

[From Truth.]

Penelope-I understand, Mr. Vaykent, that you were the famous man of your year. Mr. Vaykent-Yaas, that's so. Perdita-In what way, Mr. Vaykent? Mr. Vaykent-I was the only fellah who graduated labst in me clahsa.

WHEN THE TRAP IS SPRUNG

Upon us, as it sometimes is, in a most unexpect manner by disease, we appreciate the fact that it necessary to combat it by the most potent mediall by counteracting the causes that produce it.

Thus, expoure in wet weather, the enforced wearing of damp clothes during a storm, a thorough
draught, unsecustomed diet and water, boddly or
mental overwork, are breeders of disease, but
four the secure of the second second second against the assured effects such causes would
off otherwise produce. To the mariner, muser, the
outdoor laborer, the slave of the deek and pen, and
the overworked generally, it is of the utment adthe overworked generally, it is of the utmost as vantage. Dyspepsia, kidney trouble, malaria, bli-touaness, all yield to it.

CHOLERA ABROAD! DR. TOBIAS' Venetian Liniment.

Buried by a Cave-In.

Jack Wanza, aged forty, was buried by a cave-in at the corner of Ralph and Putnam avenues, Brooklyn, this morning. He was dug out and sent to St. Mary's Hospital. He sustained a fractured collar-bone, several broken ribs and contusions of the head.

Taken internally it acts like a charge for the era, D arrhora Draesiery, Colle, Tramps, ausea, rick fleanache, declaration, and accompanying cach bette, also directions for menting and peater atting qualities are fell immediately. Try it and be convinced.
